<p>The applicant named above gives Atlas License Company and Data Services authority to submit applications on its behalf. The applicant also grants permission for Atlas to obtain passwords as needed from the FCC for purposes of electronic filing processes pertaining to this Construction Notification. The applicant confirms the information given to Atlas on this form is complete and accurate. In addition, the licensee certifies the radio system authorized by the listed call sign has been fully constructed and placed in operation in accordance with FCC rules and regulations. The licensee is solely responsible for fines or penalties resulting from violations of FCC rules and regulations or any other Federal, State, or Local law or ordinance. The information submitted may be reviewed by the FCC and inaccuracies or inconsistencies could lead to fines or penalties. Services are provided subject to the limitations of liability and other conditions contained in Atlas' Terms of Service, agreed to by the licensee. The person signing on behalf of the applicant represents that he or she has authority to sign this document and to bind the licensee.</p>
